BeautyBar MD

1

Rejuvenation

TNS ADVANCED+ SERUM

This next-generation, skin rejuvenating formula improves the appearance of coarse wrinkles, fine lines, skin tone, and texture. It's the only growth factor product proven to address sagging skin.

2

Repair

RETINAL ADVANCED

A youth-boosting night serum that helps visibly reduce wrinkles and fine lines. Designed with an innovative dual-phase technology, it combines the power of retinaldehyde, melatonin and bakuchiol with Soothing Complex at the moment of application.

3

Brightening

EVEN AND CORRECT ADVANCED BRIGHTENING TREATMENT

Proprietary technology helps correct the appearance of uneven tone, hyperpigmentation, and dark spots, and prevents the appearance of future discoloration from forming.

Lash Growth

LATISSE

Latisse® lash serum is the first and only brand name prescription treatment approved by the FDA for thin or sparse eyelashes, growing them longer, fuller and darker.

4

Dry Skin

ULTRA NOURISHING MOISTURIZER

Helps to hydrate, nourish, and soothe skin, while supporting the production of new, healthy elastin and collagen.

5

Antioxidant Protection

CE FERULIC

A daytime vitamin C serum that delivers advanced environmental protection and improves the appearance of fine lines and wrinkles, loss of firmness, and brightens skin's complexion.

6

7

Dry, Cracked Feet

KP SMOOTHING TREATMENT

A multi-purpose ingredient blend designed to hydrate and soften skin. Hydration-softening compound containing 15%

Urea and Glycolic Acid provides improvement for mild dry, dehydrated skin conditions to more extreme dry skin conditions such as psoriasis and dermatitis.

8

Body Tightening

FIRM & TONE LOTION

Firm & Tone Lotion for Body is a powerfully effective, targeted treatment. Dermatologist-tested, it's formulated to prevent and address visible signs of body skin aging for a youthful, toned look.

Dark Circles and Wrinkles

A.G.E. ADVANCED EYE FOR DARK CIRCLES

A next-generation eye cream for wrinkles that fights the appearance of crow's feet, puffiness, and dark circles associated with glycation and collagen decline, a major factor of the natural aging process.
